

Pimpri Chinchwad Education

Trust's

***Pimpri Chinchwad College Of
Engineering And Research***

FE

**Department of First
Year Engineering**

Vision :

To introduce students to the world of Engineering, inculcate a multidisciplinary approach, establish a sound foundation in technical education, develop research orientation and contribute in character building based on strong ethics and values.

Mission:

- * To impart quality education in various streams of engineering and science.
- * To ensure students' thorough understanding of the subject matter and to hone their learning with disciplined practices.
- * To provide the best environs for nurturing creative minds.
- * To inculcate an integrated approach towards learning along with research orientation.
- * To provide training in the area of mental, spiritual growth, sound health, good conduct and communication for students which shall be based on our values and ethics.

CREATIVE WRITING

Some Pleasing Poems Written By Our Students In English & Marathi

LIVING THE DREAM

I want to fly high
Up in the mighty sky
With dreams so big
That even the stars would shy

I never wanna look back
Never wanna look down
I always wanna keep walking
And let the people do the talking

Whenever I feel it's over
And I stop at the midway
I close my eyes and remember
The sacrifice my parents made
Night and day

I want to share my feelings
But no one understood what I was dealing
I tried to explain in thousand ways I found
Then realised it was easy to shup up and lie down

I never knew this problems are making me strong
I just thought my decisions were wrong

The dream that I once felt
Was now looking far
But I had to take those baby steps
To set me apart

With all my courage in the heart
I was ready again to built my
Beautiful dream path...

- Aditya Suhas Patil

माय....

माय वं मले तू लय लय आवडते...
सोसलं तुनं दुःख मयं ९ महिने सारं...
तू पाहय न व माय तुले दाखवीन सुख न्यारं...

शेंगोळाच्या जत्रेतून आणती मले खेळणी...
माय वं लय मस्त असते तुय मेजवानी...

केलं तुन मले लहानच मोठं....
मी नाव कमविन तुय लय मोठं...

चहा पेटांना तू देती मले एक घोट...
मी एका घोट्याचा करीन मोठा थाट...

खायले पोळी नसली तर तू पेती खाऊन भाकर...
मले एक पोळी द्यासाठी काऊन सोसती दुःख खडतर?

राबराब राबते दुसऱ्यांसाठी अधीमधी
कधी विचार केला का तू स्वतःचा कधी?

तू जगतये आमच्यासाठी
कधी जगणार तू स्वतःसाठी?

माय वं मले नि का तू खरंच लय लय आवडते....
