Participants/Audiences : 11th STD Commerce students
Venue : Computer Department, PCCOER, Ravet
Date : 15/9/2022
Organizing Team : Computer Cosmos Consortium (C-Cube)

As a part of C-CUBE activities we had conducted Hands on session on HTML and JavaScript on 15th September 2022 for 11th standard Commerce students of S.B.Patil College of Science and Commerce, Ravet, Pune. Total **75 students were present** for the session. The event was coordinated by Mrs.Madhuri Kumbhar (C-Cube Faculty Advisor) and C-Cube members.

HTML and JavaScript are the basics and backbone in Web development domain. Hence to enlighten students about the importance of web development and need for HTML and Java Script this session was arranged. The session was taken by SY computer students Mr.Atharva Yadav, Mr.Yash Kadam 11.30am to 1:30pm.

Students were first introduced to keywords of HTML and JavaScript, later hands-on practice was taken using W3schools website where students were taught to make a website form. The session was kept interactive throughout by the volunteers and one to one interaction was done. All the doubts were clarified and questions were answered by the students.

A demo project of game website was shown to them. All the necessary logics were explained to them. Important resources and study material required was informed. The session was deeply appreciated by all the students and staff present.
