

Pimpri Chinchwad Education Trust's  
**Pimpri Chinchwad College**  
of  
**Engineering and Research**

@

FE

**Department of First Year  
Engineering**

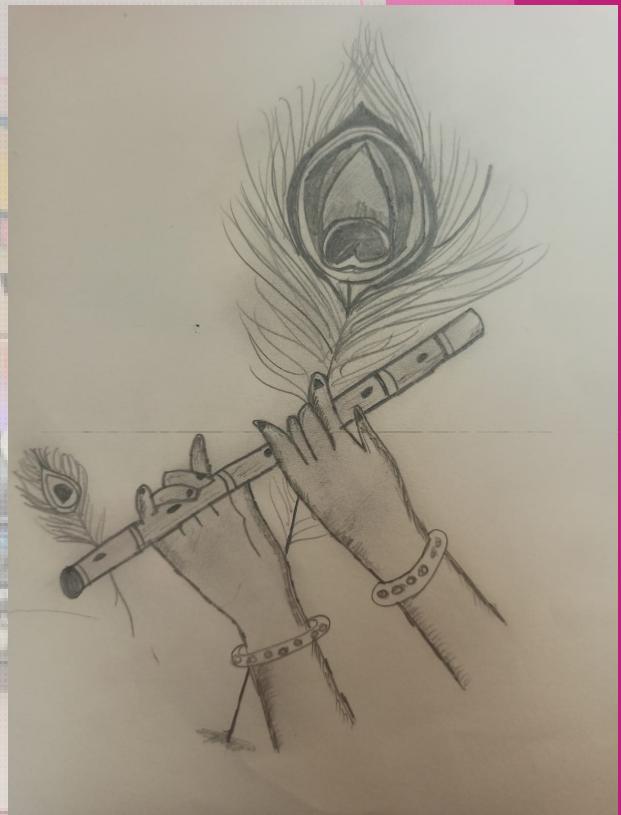

## **Vision:**

To introduce students to the world of Engineering, inculcate a multidisciplinary approach, establish a sound foundation in technical education, develop research orientation and contribute in character building based on strong ethics and values.

## **Mission:**

- \* To impart quality education in various streams of engineering and science.
- \* To ensure students' thorough understanding of the subject matter and to hone their learning with disciplined practices.
- \* To provide the best environs for nurturing creative minds.
- \* To inculcate an integrated approach towards learning along with research orientation.
- \* To provide training in the area of mental, spiritual growth, sound health, good conduct and communication for students which shall be based on our values and ethics.
